

## HIGH FREQUENCY DISINFECTION OF MOBILE STATION IS BECOMING EVEN MORE IMPORTANT DURING THE PANDEMIC WE ARE EXPERIENCING GLOBALLY

Devices with a touch screen, such as an All-in-One (AIO) computer and tablets, can be easily and quickly wiped before each usage to prevent infection

We provide our rolling stands solutions with tablets adaptors and securing /locking options

We offer two main types of roll stands - fixed height, and height adjustable version allowing sit/stand positions. Both versions can be provided with different accessories or antimicrobial working surface upon demand
