PEGASUS MEDICAL

Pegasus Medical is the partner of leading healthcare organizations and hospitals in 5 continents.

Our clients recommend our products and solutions since we greatly **simplify healthcare materials management** with flexible and scalable solutions. We provide significant **cost savings**, and stand behind our methodology with **unmatched expert support.**

With over 20 years of experience in medication and hospital supplies management, Pegasus Medical has developed **Ecoline carts** to provide an ideal combination for hospitals using ISO 60-40 trays and baskets.

MEDICAL CARTS

Pegasus Medical provides a wide range of carts and trolleys with a variety of available accessories.

Our carts are **solid, customizable and affordable.** By utilizing a modular structure, we enable a quick reconfiguration of a standard cart into a unique drawer configuration with a designated color coding.

Ecoline is the ideal solution for your medication and hospital supplies management needs.
Ecoline drawers are compatible with any ISO 60-40 tray / basket. Most important, the position of drawers, trays and baskets can always be redefined.
